

"Now is that the price for one or both of them?"

"Hmmm, so not all QLs are black, then?"

29	30					

2007

Geoff Wicks models a Quanta T-shirt which could be, err, open to misinterpretation

Geoff Wicks likes modelling Quanta T-Shirts doesn't he? Meanwhile, show visitors admire the little thing Geoff is holding (hopefully it's something to do with QLs!)

2007

In 1984, a certain well-known Welshman emerges to get his teeth into a brand new computer.

He would use any excuse, even snow, to work on QL projects...

The first Welsh attempts to get a man into space were not entirely successful, however!
